Dear Parent/Carer
Re: Southchurch High School PE Kit

Following the recent letter sent regarding the change of PE kit when the School becomes Southchurch High School in September we have received some constructive feedback from both student and parents.

We have listened to this feedback and have made the decision that all students who have the blue Futures Community College PE kit may continue to wear this until it wears out. Once replacement kit is needed then, at that point only will existing students need to purchase the new kit from our uniform supplier.

Any student who does not have the blue kit will be expected to purchase the new kit from 1 September 2016 as will any student joining the School from this date. You may, of course, purchase the new kit at any time should you choose to.

We will make a 50% contribution towards the purchase of the new kit for any existing Futures Community College students who need, or wish, to buy before 1 December 2016.

I would like to take this opportunity to remind you that the only acceptable clothing for PE from September will be the blue Futures Community College or black Southchurch High School kits, no other clothing should be worn for PE lessons.

As a School we always value student and parental feedback and pride ourselves on being able to make informed decisions after listening to constructive comments.

Should you wish any further clarification of this issue, please do not hesitate to contact the School Office.

Yours faithfully
